

## Assessment for Personal Protective Equipment

PROCEDURES	PPE	GLOVES	GOGGLES	FACE SHIELD	IMPERMEABLE GOWN	MASK	LOGIC
ACLS Procedures such as endotracheal intubation	**	X	X	X		X	BBP or OPIM
Aerosol transmissible disease risk						X	Communicable Disease
Autoclave use - handling dirty instruments		X					BBP or OPIM
Bartholin cyst Incision/drainage	**	X	X	X		X	BBP or OPIM
Bartholin cyst incision/drainage with placement of catheter	**	X	X	X		X	BBP or OPIM
BLS - Basic Life Support	***						
Biopsy or excision of cysts or simple skin lesions	**	X	X	X		X	BBP or OPIM
Body cavity examination		X					BBP or OPIM
Cervical biopsy		X					BBP or OPIM
Cold sterilization - scrubbing instruments	**	X	X	X		X	BBP or OPIM + Haz Chemicals
Colposcopy		X					BBP or OPIM
Cryotherapy of cervix		X					BBP or OPIM
Cyst injection	**	X	X	X		X	BBP or OPIM
Dermatological excision with biopsy		X					BBP or OPIM
Dermatological Intralesional injection		X					BBP or OPIM
Dirty instrument handling		X					BBP or OPIM
End of day cleaning of lobbies		X					Hazardous Chemical
Endocervical curettage		X					BBP or OPIM
Endocervical polypectomy		X					BBP or OPIM
Endometrial biopsy		X					BBP or OPIM
Exam room cleaning		X					Hazardous Chemical
Formalin handling	**	X	X	X		X	Hazardous Chemical
Hemorrhoid evacuation		X					BBP or OPIM
Incision and drainage of superficial abscesses	**	X	X	X	X	X	BBP or OPIM
Injections (including immunizations and allergens)		Optional					BBP or OPIM
Intravenous administration / starts		X					BBP or OPIM
IUD insertion		X					BBP or OPIM

## Assessment for Personal Protective Equipment

PROCEDURES	PPE	GLOVES	GOGGLES	FACE SHIELD	IMPERMEABLE GOWN	MASK	LOGIC
IUD removal		X					BBP or OPIM
Joint aspiration and injection		X	X	X	X	X	BBP or OPIM
Liquid nitrogen pouring			X				Hazardous Chemical
Local anesthetic administration		X					BBP or OPIM
Manipulation of uncomplicated dislocation		Optional					BBP or OPIM
Medical equipment cleaning		X					Hazardous Chemical
Nail excision		X					BBP or OPIM
Nexplanon insertion or removal		X					BBP or OPIM
Reagent handling	**	X	X	X		X	Hazardous Chemical
Repair of superficial lacerations involving integument only including cauterization		X					BBP or OPIM
Soiled linen handling	****	X					BBP or OPIM
Specimen handling		X					BBP or OPIM
Suture removal		X					BBP or OPIM
Taking X-rays	*						Radiation
Toner replacement		X					Hazardous Chemical
Trichoroacetic acid 80% handling		X	X				Hazardous Chemical
Vaginal biopsy		X					BBP or OPIM
Vulvar biopsy		X					BBP or OPIM
Wound care / dressing change	**	X	X	X		X	BBP or OPIM
* = use protective lead shield/barrier							
** = if risk of splash wear either faceshield or goggles & mask							
*** = use valve mask for rescue breathing in BLS							
****= use full protection if non-enveloped virus suspected (adenovirus, norovirus, poliovirus) or Ebola; may use disposable head coverings / hood and/or respirator (N-95 mask or powered air purifying respirator - PAPR)							
OPIM = Other Potentially Infectious Materials							
BBP = Blood Borne Pathogens
